

trust

in your wings

in yourself

Thank you for downloading this free coloring page!

Some ideas for use: 1) a quiet fun art activity; 2) help to calm and focus students; 3) include in your Rest and Return / Calm In boxes; 4) share with students who pay attention better when they are doodling; 5) use for indoor recess; 6) also a great tool for school counselors to use when interviewing or talking with students, relieving pressure from direct conversation.

If you like this coloring page, make sure to click on the WholeHearted School Counseling "Follow Me Green Star" to receive notifications of new products. Also, any feedback you leave is greatly appreciated, as it helps me to design products that are more meaningful for you and your students.

Joy to You!
